THE RISE OF TUHSD

A foundation built through focus and growth.

2015

2018

BUILDING ALIGNMENT AND DIRECTION

Strengthening governance, aligning our work,
and setting clear direction for the district.

- Majority of schools are in the developing performance range
- Clear focus on improving outcomes
- Enrollment grew to 13,000+ students

WHAT IS A BOND?

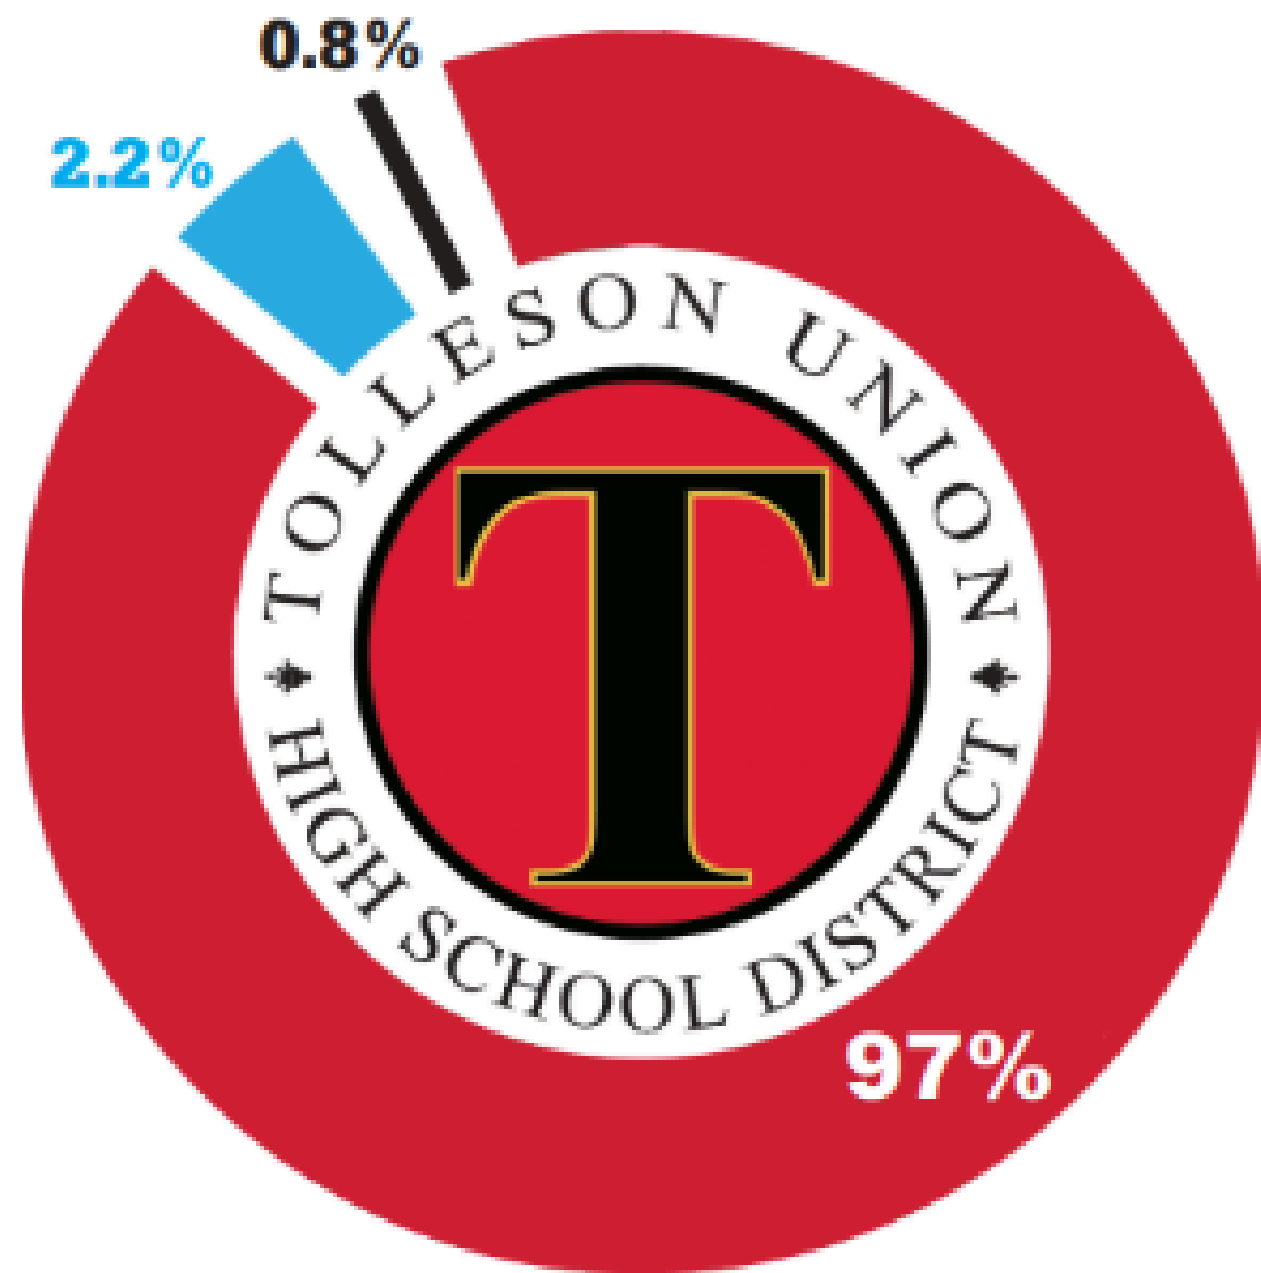

A school bond is essentially a loan that a school district takes out to pay for large, one-time capital expenses. It's different from a district's regular operating budget, which covers day-to-day costs like teacher salaries, supplies and utilities. Bonds typically pay for building new schools, health & safety upgrades, building renovations, and more.
