

Internet Safety

NetSmartz

NetSmartz is an educational program of the National Center for Missing and Exploited Children (NCMEC). Resources are available for parents & guardians, educators, law enforcement, teens and younger children. For parents, there are tips and discussion starters for a variety of topics including cell phones, sexting, cyberbullying, social networking and inappropriate content.

Common Sense Media

Common Sense Media is dedicated to helping kids thrive in a world of media and technology. This independent organization provides ratings and reviews for things kids want to watch, read, play, and learn such as apps, books, games, movies, music, television and websites. Information for parents is available on a variety of topics including privacy and Internet safety, cyberbullying, social media and learning with technology.

FBI – A Parent’s Guide to Internet Safety

This guide provides valuable information to parents about potential signs indicating a child might be at risk online.
