

Native American Education Program

2025 IMPACT REPORT

ABOUT US

TUHSD's Native American Education Program (NAEP) is funded by Title VI and Johnson O'Malley grants. These grants allow TUHSD to provide supplemental services. With these funds, we aim to empower Native American students by fostering cultural awareness and ensuring every student feels valued and inspired. Through collaboration with families, educators, and the community, we strive to create positive representation and pathways to academic success.
