PRINCIPAL'S REPORT

Becky gave a presentation on the new math curriculum that will be a complete program from Kindergarten through all the Algebra levels. This program will be presented at the next school board meeting and will need to be approved before the end of the month. She invited all parents to come in and look at all books and ask questions. Becky then went over the upcoming Wake Up Call presentation and asked if the PTO will supply food for the event and wanted to open the floor for discussion on how to get families to the event.

NEW BUSINESS

- Jewel Joy gave an update on her trip to National FFA convention. She is needing some help with travel funds. We agreed to pay for her plane ticket and Courtney would arrange it.
- Dawn came in to ask for funds to help with travel for the volleyball girls to travel to NMSU. We approved 500 for them.
- We approved the invoice for \$240 for trophies for the basketball tournament in December.
