No Cost! 2026 Pre-Participation Sports Physicals

Tolleson Union High School District

Youth athlete support fund

Preliminary assessments and sport physicals are required across Arizona for students to participate in athletics, yet not all families can afford them. We believe cost should never get in the way of a young athlete. That's why Banner Sports Medicine and the Phoenix Union High School District have partnered to arrange for **NO COST SPORT PHYSICALS**.

What to Bring:

Printed & completed AIA examination form and AIA evaluation form are required. All history questions must be completed with the athlete's parent/guardian prior to arrival with a parent/guardian signature on the last page of the AIA evaluation form.

Parent/Guardian does not need to be present IF paperwork is completed and signed appropriately. Banner Sports Medicine staff will turn away athletes that do not have proper paperwork or signatures at the time of check in. No verbal permissions will be accepted.
