

SENIOR LAPTOP RETURN DAY INFORMATION

Graduating seniors can purchase their laptops at the end of the school year for \$100, which includes the laptop and charger. Once purchased, the device can be used without restrictions.

\$100 to keep their laptop and charger.

If students choose not to buy their devices, they must return the laptop and charger.

If the device is damaged and not purchased, a \$100 fee will be charged. Additionally, not returning the charger incurs a separate \$53 fee.

Seniors who paid a \$100 Tech Fee for the 24-25 school year, do not need to pay again to keep their device.

Please Note:

- We do not allow device swaps; students may only buy the device currently checked out to them, regardless of its condition.
- Payments are not accepted in advance.
- All device purchases are final, with no returns or technical support provided.

Please check with your school for laptop return date and location. Each school will vary.

IMPORTANT: All students must return their devices, whether they plan to purchase it or not. Purchased devices will be wiped and reset by Technology to remove management systems and allow unrestricted personal use.
