

Mental Health Services in Special Education with Disability Rights California

Explore **Educationally Related Mental Health Services** (ERMHS) and how they support students with disabilities by addressing social, emotional, and behavioral needs. This session will explain how ERMHS are integrated into the Individualized Education Program (IEP) to help students succeed both academically and emotionally.

Thursday
March 19, 2026
6:00pm - 7:30pm
