

Sierra Linda High School School Compact

Sierra Linda High School believes in the importance of all members of our learning community working together to help our students succeed in and out of the classroom. Through the combined efforts of students, parents, teachers, and administrators continued improvement and incremental gains will lead to success.

and
ing

As a Sierra Linda Student, I will:

- Attend class regularly, be on time, and be prepared to learn.
- Actively participate and give my best efforts in and out of the classroom.
- Request help when needed and take advantage of learning support opportunities.
- Demonstrate respect for Sierra Linda's staff and students.
- Show support of my school and my peers by taking part in school activities.
- Take pride in my work and my school.
- Provide constructive feedback to drive school improvement.

Sierra Linda Students will:

- Update my contact information when there are changes.
- Seek information regarding my student's progress and involvement.
- Support and respect Sierra Linda's staff and students.
- Encourage my student to become involved in and out of the classroom.
- Attend school events as often as possible.
- Ensure that my student is mentally and physically prepared for class.
- Support my student in academics and extra-curricular activities.
- Provide constructive feedback to drive school improvement.

- regarding their student's progress.
- Identify individual student's needs and provide support.
- Support and respect Sierra Linda's students, families and staff.
- Provide effective and differentiated instruction for all students to experience academic success.
- Be deliberate and innovative in designing my classroom instruction.
- Create relevance for subjects using current events and connections outside of school.
- Provide constructive feedback to drive school improvement.

- Support and respect Sierra Linda's students, families and staff.
- Uphold high standards of safety and student behavior.
- Create the best learning environment possible.
- Provide critical information to parents in a timely manner through multiple methods.
- Recognize students for their achievements.
- Visit classrooms regularly.
- Monitor student behavior to identify individual needs and provide support.
- Solicit and utilize feedback from all stakeholders.

Mission: Sierra Linda High School, together with students and parents, will provide a safe and meaningful learning environment that allows students to dream, believe, strive and achieve.
