

# UNIVERSITY HIGH SCHOOL

## BEYOND THE BELL

### IMPACT REPORT

#### SUMMARY

This report represents outcomes of University High School's 2024-2025 Beyond the Bell after school program held in Tolleson Arizona. The report offers insights into the after school program components and the achievements it delivered.

#### PROGRAM COMPONENTS

ACADEMIC SUPPORT

FAMILY ENGAGEMENT

SUMMER CAMP

YOUTH DEVELOPMENT

POSITIVE CLIMATE & CULTURE

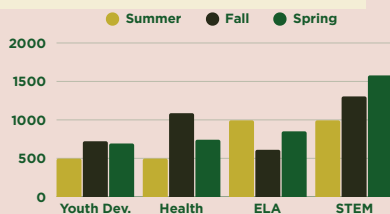

#### STUDENT PARTICIPATION

# 99%

of UH students attended one of more days of the program

#### ATTENDANCE TRENDS

Total student attendance for the school year by course type.

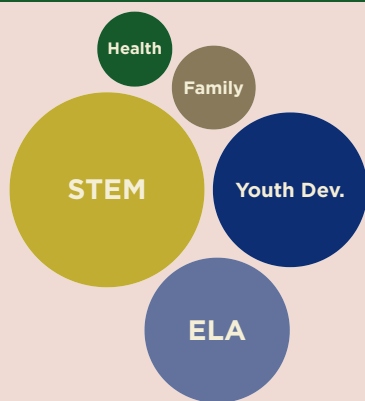

#### ACADEMIC SUCCESS

# 83%

of UH freshmen students who attended for 30 days or more scored a C or better in their English class.

# 86%

of UH freshmen students who attended for 30 days or more scored a C or better in their Math class.

#### COURSES OFFERED

We offered a variety of courses this school year, from health & wellness classes focusing on healthy mind and body to athletics, STEM classes such as robotics and coding, ELA classes including AP test prep and creative writing, and Youth Development classes like culinary and ceramics. Additionally, we held family engagement events that showed parents how they can support their student throughout high school.

#### STUDENT CONNECTIONS

# 100%

of participants reported a positive connection with a UH staff member.

# 95%

of students reported a positive connection with their peers.

# 95%

of participants reported an overall positive feeling toward school.

Via an online poll, students shared their positive connections to staff, other students, and school as a whole.

#### STUDENT PARTICIPATION GROWTH
