Tolleson Union is the oldest school in the Tolleson Union High School District. It was founded in 1927 and has been built on years of community pride, traditions and student-focused curriculum and opportunities. We take pride in the quality of our curriculum and our teaching staff. We work hard to help foster student learning and growth. We believe that a quality education combined with rigorous courses supported by clubs, activities and athletics provide our students with a pathway toward future success.

Student Services:

Tolleson Union High School offers a comprehensive variety student services and resources designed to support all of our young adults and their needs. As a PBIS (Positive Behavioral Interventions and Supports) and MTSS (Multi-Tiered System of Supports) campus, we prioritize proactive, data-driven approaches to student success. Our dedicated team includes 5 site principals, 7 school counselors, 2 full-time social workers, and 2PBIS interventionists who provide academic, social-emotional, and behavioral support to ensure every student has the tools they need to thrive.
