

RSI: The Refidgeration School

Student Choice ~ Surprise Campus

Wednesday, September 17th

10:30-11:15 & 11:45-12:30

- ✓ HVAC/ Refrigeration
- ✓ Electrical
- ✓ Welding

Why Choose Us?

A career in climate control could happen even faster with this shorter program. In just 7 months, get hands-on training in diagnosing, servicing and repairing equipment as well as mechanical and electrical principles. Plus, the RSI network of support systems helps you achieve your goals fast.
