

April 7th - April 11th
Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday!

We successfully completed our state assessment today. Thank you to all the parents, guardians, and, more importantly, all the students for being present on time during this testing period.

We will take a short break and celebrate our students' hard work by giving them a Field Day this coming Wednesday. The details are shared via a flyer on ParentSquare and in this newsletter on page 8.

Our Magnet Jr. High students had a great time at iFLY, learning the Physics and Engineering behind skydiving and experiencing the thrill. Please see the details with a couple of pictures on Page 6.

Now that the testing is over take some rest, Iron Eagles, and let's get ready for our upcoming benchmark and AP Exams. Have a great weekend.

Mr. Gandhi
Headmaster, MIT

MIT IMPORTANT UPCOMING DATES

- April 16th: Field Day - See flyer on page 8
- April 17th: End of Quarter 4 Progress 1 Grading Period
- April 18th: No School April Recess
- April 23rd: Quarter 4 Progress Report Posted
- April 28th - May 2nd: Post-Benchmark Testing
- May 5th - May 16th: AP Testing - See page 5
- May 9th: Senior Prom
- May 22nd: Semester 2 Report Cards/Last Day of School

UNIFORM INFORMATION

At MIT, we require our students to wear uniforms. All students are required to have:

- a solid white button-up shirt with the MIT coat of arms and a tie/bow tie.
- Purple polos with the MIT coat of arms are only permitted on Fridays.
- Pants must be either black or khaki. No jeans!
- Students may only wear jackets or sweaters with the MIT coat of arms.

If you have any questions, please review our dress code policy in our [**student handbook**](#) found on our website.

You may purchase your student's uniform over the phone at [Rapido AZ](#) (602)689-9592 or visit 3334 W Wilshire Dr. Phoenix AZ 85009 STE# 42.

MIT HIGH SCHOOL & RIVERSIDE ELEMENTARY SCHOOL DISTRICT: SIBLING ENROLLMENT INTEREST SURVEY

We value your family's educational experience and are excited to explore opportunities for younger siblings to benefit from the same STEM² excellence at our partner K-8 schools within the Riverside Elementary School District. This short survey helps us gauge interest in sibling enrollment and understand how we can best support your family.

Please take a moment to share your thoughts and provide your contact information if you're interested. Your feedback is important in shaping future opportunities for our students!

Incentives for Participation!

As a thank you for completing the survey, students of participating parents will **enjoy a Dress Down Day**, and you'll also be entered into a **Lucky Draw for a chance to win a FREE MIT uniform!**

 **Your feedback is valuable in shaping future opportunities for our students!**

MIT STEMM HIGH SCHOOL ENROLLMENT FY 2025-2026

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the **2025-2026 enrollment** is now available on our school website in both English and Spanish. Please click on the following link to APPLY TODAY:

<https://www.mitglobalonline.org/enrollment>

Once the form is filled out it can be downloaded and sent to our school registrar via email at cnuno@mitglobalonline.org

****If you refer a new student to attend our school be sure to let the family know to mention your name when they register, so your student can get a free uniform!****

AP TESTING INFORMATION

Dear Parents and Guardians,

Starting May 6th, students will begin taking their AP Exams. Please take a moment to review the AP testing schedule to ensure you are aware of the specific dates and times your student is scheduled to test.

Please note that AP exams are timed assessments, and students are required to remain for the entire duration of the exam. **Exams that begin at 12:00 PM may conclude between 3:00 PM to 4:30 PM.**

Transportation will not be provided after these afternoon exams, so please plan accordingly to arrange for your student's pickup.

THANK YOU FOR YOUR SUPPORT AND COOPERATION!

Week 1

- May 6th
 - 8 AM: AP Chemistry
 - 12 PM: AP Government
- May 7th
 - 8 AM: AP English Literature
- May 8th
 - 8 AM: AP Statistics
 - 12 PM: AP World History
- May 9th
 - 8 AM: AP US History

Week 2

- May 12th
 - 8 AM: AP Calculus
- May 13th
 - 8 AM: AP Pre-Calculus
 - 12 PM: AP Environmental Science
- May 14th
 - 8 AM: AP English Language
- May 15th
 - 8 AM: AP Spanish Language
- May 16th
 - 12 PM: AP Psychology

MIT JUNIOR HIGH STUDENTS TAKE FLIGHT AT IFly!

This past Wednesday, Mr. Moya and our Magnet Junior High students had a blast on their field trip to iFly!

Huge shoutout to Mr. Salazar, Ms. Jeffers, and Mrs. Gandhi for being amazing chaperones and of course, a big thanks to Ms. Avila for getting everyone there and back safely—smooth ride, no turbulence!

The iFly instructors had nothing but great things to say about our students. They were super impressed by how curious, respectful, and engaged everyone was. Not only did the students get to experience flying, but they also dove into some fun physics by calculating terminal velocity—yep, real learning while having the time of their lives!

This trip was the perfect mix of fun and learning, and we're so glad it all came together. Way to go, Iron Eagles!

MIT YEARBOOK – LAST DAY TO PURCHASE APRIL 26TH!

Create your 2 free custom yearbook pages for MARICOPA INSTITUTE OF TECHNOLOGY

treering

Add Photos

Add your favorite photos from your phone, computer, Instagram, Facebook, Google or Dropbox account, and have them printed in your copy of the yearbook.

Sign Books

Make your friends smile by sending them a message (can include a photo or sticker) that they can add to their custom pages or ask them to send you one!

Add Memories

Answer questions about your year and capture your very best moments. You can even include a photo to go along with them.

Design Your Page

Add all of your memories to your two free personal pages that will be printed in your unique copy of the yearbook. Need more room? You can add more pages!

To Purchase & Customize Your Yearbook

Must be a parent or student 13 years or older.

- 1 Go to: www.treering.com/validate
- 2 Enter your school's passcode:

Maricopa Institute of Technology

2024-2025 Clubs and Student Organizations – Catalog

Hello MIT, getting involved in clubs and organizations is an excellent way to enhance student's school experience. These groups offer students the opportunity to explore their passions, develop leadership skills, and connect with peers who share similar interests and academic goals. Whether you are interested in community service, academic enrichment, sports, or cultural awareness, there is a club for everyone at MIT. Participating in these activities not only enriches your personal and academic life but also allows you to make a positive impact on your school and community. All the clubs and students' organizations at MIT will start in the first week of September 2024.

Expectations for Participation in Extracurricular Clubs and Student Organizations at Maricopa Institute of Technology

At MIT, we believe that extracurricular clubs and organizations are an integral part of the student experience, providing opportunities for personal growth, leadership development, and community engagement. To ensure that these activities contribute positively to both the individual and the school community, students must adhere to the following expectations:

Academic Standing: To qualify for participation in any extracurricular club or organization, students are required to maintain a high standard of academic achievement. Consistent performance in coursework is essential, as extracurricular involvement should complement, not compromise, academic responsibilities. Students who are failing any subject, may be temporarily suspended or permanently removed from club or organizations; activities. This policy ensures that academic excellence remains a priority and encourages students to balance their time effectively.

Discipline and Conduct: Students are expected to uphold the Code of Conduct and Discipline Policies detailed in the Student Handbook, as well as any specific rules set by the club instructor. Participation in clubs or organization is a privilege, not a right, and it requires a commitment to positive behavior and respect for others. The school reserves the authority to exclude any student from a club or activity if they engage in disruptive behavior, violate school policies, or fail to meet the standards of conduct expected of all MIT students. Such actions ensure a safe and productive environment where all members can thrive.

Commitment to Excellence: We encourage all students to approach their extracurricular involvement with the same dedication and integrity they apply to their academic pursuits. Active participation in clubs or organization not only enhances personal and professional skills but also reflects a student's overall commitment to excellence. By meeting these expectations, students contribute to a vibrant and supportive school community, where everyone has the opportunity to succeed.

In summary, participation in extracurricular clubs or organizations at MIT is contingent upon maintaining strong academic performance and exemplary conduct. We are committed to fostering an environment where students can grow, learn, and achieve their fullest potential, both inside and outside the classroom.

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:
MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:
Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
