

February 17th – February 21st
Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday!

We are almost at the end of February Month! We are getting ready for our State Assessments. It looks like they are in April, but only a few instructional days are left until we start our State Assessments.

We will start communicating with students, parents, and the community about detailed schedules for our upcoming state assessments. We want our Iron Eagles to start preparing and working with teachers to receive the guidance and support they need to perform best in the state assessments.

MIT Science team is hosting a Science Fair tonight at 5:00 pm. The informational flyer with RSVP has been shared with students and parents. There will be a good opportunity to see some of the interesting Science and Engineering projects completed by our students. Please visit us tonight at 5:00 pm to attend the Science Fair Family Night.

Have a restful weekend, Iron Eagles, and I will see you on Monday!

Mr. Gandhi
Headmaster, MIT.

MIT IMPORTANT UPCOMING DATES

- **February 26th: No Early Release Wednesday**
- **March 5th – 7th: Parent/Teacher Conferences**
- **March 7th: Quarter 3 Grading Period Ends**
- **March 19th: Quarter 3 Report Cards Post**
- **March 21st: No School All Day Staff STEM PD**

UNIFORM INFORMATION

At MIT, we require our students to wear uniforms. All students are required to have a solid white shirt with the MIT coat of arms and a tie/bow tie. Purple polos with the MIT coat of arms are only permitted on Fridays. Pants may either be black or khaki. No jeans. If you have any questions, please review our dress code policy in our [student handbook](#) found on our website. You may purchase your student's uniform over the phone at (602)689-9592 or visit 3334 W Wilshire Dr. Phoenix AZ 85009 STE# 42.

COLD WEATHER INFORMATION

The weather is obviously cold in the morning. MIT will allow students to wear an all-black jacket (w/ no logos or other colors) during their first period, but **it can not be a hoodie**. The black jacket must be worn to still show that the student is wearing a white shirt and tie (Fri- purple polo). After first period, the students are only allowed to wear MIT uniform sweater or jacket. Other jackets must be put away in backpack or in the front office cubbies for the remainder of the day. We will keep track of the weather and school building temperature to determine if we will extend it beyond first period. **No Hoodies, though!**

MIT STEMM HIGH SCHOOL ENROLLMENT FY 2025-2026

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the **2025-2026 enrollment** is now available on our school website in both English and Spanish. Please click on the following link to APPLY TODAY:

<https://www.mitglobalonline.org/enrollment>

Once the form is filled out it can be downloaded and sent to our school registrar via email at cnuno@mitglobalonline.org

****If you refer a new student to attend our school be sure to let the family know to mention your name when they register, so your student can get a free uniform!****

WEEKLY IRON EAGLE BEHAVIOR AWARD

Congratulations to the students who won this week's Iron Eagle Behavior Award. This honor is given to students who embody the spirit and values of an MIT Iron Eagle – demonstrating outstanding character, integrity, and leadership in all they do. These exceptional students have set the bar high with their dedication to academic excellence, community spirit, and personal growth. Join us in congratulating these remarkable students for their commitment to making our MIT community stronger and more inspiring. Your exemplary behavior truly makes you shine as Iron Eagles!

Congratulations to the following students:

ASHLEY MONROY

Improved or excellent classwork

KAMANZI SEBYENA

Exhibits leadership or MIT virtues

REY CASTRO

Excellent performance in Earth Science

CARLOS MENDEZ

Following Directions

EZEKIEL MORENO

Exhibits leadership or MIT virtues

JOEL HERNANDEZ-MENDOZA

Exhibits leadership or MIT virtues

ENNA JACKSON

For her kindness and friendship with her classmates.

Maricopa Institute of Technology
invites you to our

February 21, 2025
5:30-7:30PM

NO EARLY RELEASE WEDNESDAY

There will be no early release on Wednesday, February 26th due to AZELLA testing. Students will be released at 2:40 PM.

ALUMNI SPOTLIGHT - NASA PROJECT

Our MIT Alumni, Anthony Quezada, Zahra Ali, and Ruqaiya Gheyasi, volunteered their time today and attended a documentary video shoot for their accomplishment with the NASA Project. MIT is very proud of our Iron Eagles for taking their science project out of this world, which is currently under observation by NASA scientists at the International Space Station. We look forward to hearing their amazing story in this documentary very soon.

2024-2025 Clubs and Student Organizations – Catalog

Hello MIT, getting involved in clubs and organizations is an excellent way to enhance student's school experience. These groups offer students the opportunity to explore their passions, develop leadership skills, and connect with peers who share similar interests and academic goals. Whether you are interested in community service, academic enrichment, sports, or cultural awareness, there is a club for everyone at MIT. Participating in these activities not only enriches your personal and academic life but also allows you to make a positive impact on your school and community. All the clubs and students' organizations at MIT will start in the first week of September 2024.

Expectations for Participation in Extracurricular Clubs and Student Organizations at Maricopa Institute of Technology

At MIT, we believe that extracurricular clubs and organizations are an integral part of the student experience, providing opportunities for personal growth, leadership development, and community engagement. To ensure that these activities contribute positively to both the individual and the school community, students must adhere to the following expectations:

Academic Standing: To qualify for participation in any extracurricular club or organization, students are required to maintain a high standard of academic achievement. Consistent performance in coursework is essential, as extracurricular involvement should complement, not compromise, academic responsibilities. Students who are failing any subject, may be temporarily suspended or permanently removed from club or organizations; activities. This policy ensures that academic excellence remains a priority and encourages students to balance their time effectively.

Discipline and Conduct: Students are expected to uphold the Code of Conduct and Discipline Policies detailed in the Student Handbook, as well as any specific rules set by the club instructor. Participation in clubs or organization is a privilege, not a right, and it requires a commitment to positive behavior and respect for others. The school reserves the authority to exclude any student from a club or activity if they engage in disruptive behavior, violate school policies, or fail to meet the standards of conduct expected of all MIT students. Such actions ensure a safe and productive environment where all members can thrive.

Commitment to Excellence: We encourage all students to approach their extracurricular involvement with the same dedication and integrity they apply to their academic pursuits. Active participation in clubs or organization not only enhances personal and professional skills but also reflects a student's overall commitment to excellence. By meeting these expectations, students contribute to a vibrant and supportive school community, where everyone has the opportunity to succeed.

In summary, participation in extracurricular clubs or organizations at MIT is contingent upon maintaining strong academic performance and exemplary conduct. We are committed to fostering an environment where students can grow, learn, and achieve their fullest potential, both inside and outside the classroom.

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
