Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday..!!

Mid-Benchmark testing will begin next Week. The Benchmark Assessments are scheduled for Monday, Tuesday, Thursday, and Friday next week. The ELA and Science tests are scheduled for Monday and Tuesday, respectively. The Math tests are scheduled for Thursday. Magnet Jr. High, 11th Grade Science, and Makeup tests are scheduled for Friday. We encourage our Iron Eagles to prepare well for these benchmarks and get good scores on them. We wish you all the very best!

Our Students Council leaders represent MIT this week at the Convention in Tucson, AZ. At the convention, the students will have the opportunity to listen to four distinguished keynote speakers, each bringing unique perspectives on leadership and community involvement. They will also engage in various leadership activities designed to enhance their skills in teamwork, public speaking, and strategic thinking. These activities are crucial for their growth as leaders and will undoubtedly benefit our school community. Congratulations to our Student Council Advisor, Mr. Sunkara, and all STUCO members.

Wish you all a restful weekend. See you on Monday.

Mr. Gandhi
Headmaster

MIT STEMM HIGH SCHOOL ENROLLMENT FY 2025-2026

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the **2025-2026 enrollment** is now available on our school website in both English and Spanish. Please click on the following link to APPLY TODAY:

<https://www.mitglobalonline.org/enrollment>

Once the form is filled out it can be downloaded and sent to our school registrar via email at cnuno@mitglobalonline.org

****If you refer a new student to attend our school be sure to let the family know to mention your name when they register, so your student can get a free uniform!****

MIT IMPORTANT UPCOMING DATES

- **January 27th - 31st - Mid-Year Benchmark Testing**
- **January 31st - Quarter 3 Progress Report Grading Period ends**
- **February 7th - No School All Staff STEM PD**
- **February 17th - No School President's Day**

UNIFORM INFORMATION

At MIT, we require our students to wear uniforms. All students are required to have a solid white shirt with the MIT coat of arms and a tie/bow tie. Purple polos with the MIT coat of arms are only permitted on Fridays. Pants may either be black or khaki. No jeans. If you have any questions, please review our dress code policy in our [student handbook](#) found on our website. You may purchase your student's uniform over the phone at (602)689-9592 or visit 3334 W Wilshire Dr. Phoenix AZ 85009 STE# 42.

COLD WEATHER INFORMATION

The weather is obviously cold in the morning. MIT will allow students to wear an all-black jacket (w/ no logos or other colors) during their first period, but **it can not be a hoodie**. The black jacket must be worn to still show that the student is wearing a white shirt and tie (Fri- purple polo). After first period, the students are only allowed to wear MIT uniform sweater or jacket. Other jackets must be put away in backpack or in the front office cubbies for the remainder of the day. We will keep track of the weather and school building temperature to determine if we will extend it beyond first period. **No Hoodies, though!**

MIT MID-YEAR BENCHMARK

Next week starting Monday, we will begin our mid-year Galileo benchmark testing for all students. Please go to your assigned classrooms by 8:05 am to ensure you receive enough test taking time. Do not forget your computers and your chargers! See you all next week!

SPORTS HIGHLIGHTS – CHEER COMPETITION

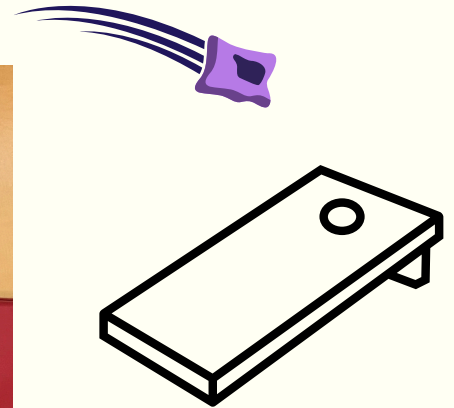

Congratulations to our MIT Iron Eagle Cheer Squad for winning 2nd place in the CAA preliminary competition this past Saturday! They will be competing for the state title in March. Not only did our cheer squad show great sportsmanship, but they also assisted the CAA with the takedown and clean-up. Great job, Iron Eagles!

SPORTS HIGHLIGHTS – CORNHOLE

Aiden Schmidt and Brandyn Wakefield showed off their cornhole skills last Saturday and crushed it! Catch them in action again on 1/25 at 10am at Brighton. Good luck, Iron Eagles!

2024-2025 Clubs and Student Organizations – Catalog

Hello MIT, getting involved in clubs and organizations is an excellent way to enhance student's school experience. These groups offer students the opportunity to explore their passions, develop leadership skills, and connect with peers who share similar interests and academic goals. Whether you are interested in community service, academic enrichment, sports, or cultural awareness, there is a club for everyone at MIT. Participating in these activities not only enriches your personal and academic life but also allows you to make a positive impact on your school and community. All the clubs and students' organizations at MIT will start in the first week of September 2024.

Expectations for Participation in Extracurricular Clubs and Student Organizations at Maricopa Institute of Technology

At MIT, we believe that extracurricular clubs and organizations are an integral part of the student experience, providing opportunities for personal growth, leadership development, and community engagement. To ensure that these activities contribute positively to both the individual and the school community, students must adhere to the following expectations:

Academic Standing: To qualify for participation in any extracurricular club or organization, students are required to maintain a high standard of academic achievement. Consistent performance in coursework is essential, as extracurricular involvement should complement, not compromise, academic responsibilities. Students who are failing any subject, may be temporarily suspended or permanently removed from club or organizations; activities. This policy ensures that academic excellence remains a priority and encourages students to balance their time effectively.

Discipline and Conduct: Students are expected to uphold the Code of Conduct and Discipline Policies detailed in the Student Handbook, as well as any specific rules set by the club instructor. Participation in clubs or organization is a privilege, not a right, and it requires a commitment to positive behavior and respect for others. The school reserves the authority to exclude any student from a club or activity if they engage in disruptive behavior, violate school policies, or fail to meet the standards of conduct expected of all MIT students. Such actions ensure a safe and productive environment where all members can thrive.

Commitment to Excellence: We encourage all students to approach their extracurricular involvement with the same dedication and integrity they apply to their academic pursuits. Active participation in clubs or organization not only enhances personal and professional skills but also reflects a student's overall commitment to excellence. By meeting these expectations, students contribute to a vibrant and supportive school community, where everyone has the opportunity to succeed.

In summary, participation in extracurricular clubs or organizations at MIT is contingent upon maintaining strong academic performance and exemplary conduct. We are committed to fostering an environment where students can grow, learn, and achieve their fullest potential, both inside and outside the classroom.

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
