IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday!

This week, we proudly celebrated Teacher Appreciation Week, a special time to recognize and honor the dedication, passion, and commitment of our MIT teachers. Our educators work tirelessly every day to inspire learning, support student growth, and prepare our scholars for college and career success. MIT is truly thankful for our teachers and the positive impact they make on students and families alike.

We would also like to extend our sincere thank you to our parents and families for your continued support, especially during the AP testing season. Your encouragement and partnership play a critical role in helping our students perform their best. The remaining AP exams will take place next week, and we appreciate your ongoing support as students complete this important milestone.

As we enter the final two weeks of the school year, we encourage families to keep a close eye on upcoming communications regarding important events, end-of-year activities, and celebrations. There are many exciting moments ahead as we finish the school year strong.

Thank you for being an essential part of the MIT Community.
I wish you a happy and restful weekend.

MIT WEBSITE COMMUNITY RESOURCES

We are excited to share that new community-based resource information has just been added to our school website. This page includes a variety of helpful supports for students and families, including information about local organizations, community services, and mental health providers.

At MIT, we believe that supporting our students goes beyond the classroom. We are committed to valuing and prioritizing the overall well-being of our students and their families. By making these resources easily accessible, we hope to ensure that everyone in our community knows where to turn for additional support when needed.

We encourage students, families, and community members to explore the new resource page using the link provided below. Together, we can continue to build a strong, supportive community for all.

You can find the new information on our [website here!](#)

Mental Health Help

Parenting can be a joyful and demanding experience, particularly when it comes to our kids' mental health. As parents, we frequently look for ways to help our children through the challenging and formative school years. These helpful tools and techniques can assist parents in ensuring the mental health of their kids.

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
