

**2026 Performance Measures Results by District  
District Level of Performance (DLP)**

CTD: 070295

District: Queen Creek Unified District

Date: 8/20/2026

**Measure 1S1 Graduation Rates**

**90% of SDLP**

|                                                                                      |     |                                         |          |          |
|--------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who graduate with their cohort in the reporting year. | 385 | Local Performance:                      | 99.0%    | 99.0%    |
| D. Number of CTE concentrators in the cohort in the reporting year.                  | 389 | State Performance:                      | 96.29%   | 86.661%  |
|                                                                                      |     | <b>Meet State Level of Performance?</b> | <b>Y</b> | <b>Y</b> |

**Measure 2S1 Reading Language Proficiency**

|                                                                                                                                                                         |     |                                         |          |          |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who met or exceeded all the reading standards measured on a State Reading Assessment and left secondary education in the reporting year. | 217 | Local Performance:                      | 55.8%    | 55.8%    |
| D. Number of CTE concentrators who took a State Reading Assessment and left secondary education in the reporting year.                                                  | 389 | State Performance:                      | 43.54%   | 39.186%  |
|                                                                                                                                                                         |     | <b>Meet State Level of Performance?</b> | <b>Y</b> | <b>Y</b> |

**Measure 2S2 Mathematics Proficiency**

|                                                                                                                                                                                 |     |                                         |          |          |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who met or exceeded all the mathematics standards measured on a State Mathematics Assessment and left secondary education in the reporting year. | 186 | Local Performance:                      | 47.8%    | 47.8%    |
| D. Number of CTE concentrators who took a State Mathematics Assessment and left secondary education in the reporting year.                                                      | 389 | State Performance:                      | 37.5%    | 33.75%   |
|                                                                                                                                                                                 |     | <b>Meet State Level of Performance?</b> | <b>Y</b> | <b>Y</b> |

**Measure 2S3 Science Proficiency**

|                                                                                                                                                                         |     |                                         |          |          |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who met or exceeded all the science standards measured on a State Science Assessment and left secondary education in the reporting year. | 45  | Local Performance:                      | 11.6%    | 11.6%    |
| D. Number of CTE concentrators who took a State Science Assessment and left secondary education in the reporting year.                                                  | 387 | State Performance:                      | 23.16%   | 20.844%  |
|                                                                                                                                                                         |     | <b>Meet State Level of Performance?</b> | <b>N</b> | <b>N</b> |

**Measure 3S1 Placement**

|                                                                                                                                                                                                                                                                                                                          |     |                                         |          |          |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who, in the second quarter after exiting from secondary education, were placed in postsecondary education or advanced training, in military service, in a service program that receives assistance through the National & Community Service Act of 1990, in the Peace Corps, or employed. | 264 | Local Performance:                      | 69.7%    | 69.7%    |
| D. Number of CTE concentrators who left secondary education in the reporting year.                                                                                                                                                                                                                                       | 379 | State Performance:                      | 72.19%   | 64.971%  |
|                                                                                                                                                                                                                                                                                                                          |     | <b>Meet State Level of Performance?</b> | <b>N</b> | <b>Y</b> |

**Measure 4S1 Nontraditional**

|                                                                                                           |     |                                         |          |          |
|-----------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of nontraditional (gender) CTE concentrators in a nontraditional program in the reporting year. | 134 | Local Performance:                      | 28.5%    | 28.5%    |
| D. Number of CTE concentrators in a nontraditional program in the reporting year.                         | 470 | State Performance:                      | 30.29%   | 27.261%  |
|                                                                                                           |     | <b>Meet State Level of Performance?</b> | <b>N</b> | <b>Y</b> |

**Measure 5S1 Industry Recognized Credential**

|                                                                                                                                                      |     |                                         |          |          |
|------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who graduated from high school in the reporting year and earned a recognized credential for their program.            | 233 | Local Performance:                      | 88.6%    | 88.6%    |
| D. Number of CTE concentrators who graduated from high school in the reporting year and attempted to earn a recognized credential for their program. | 263 | State Performance:                      | 85.05%   | 76.545%  |
|                                                                                                                                                      |     | <b>Meet State Level of Performance?</b> | <b>Y</b> | <b>Y</b> |

**Measure 5S4 Technical Skills Assessment**

|                                                                                                                                                       |     |                                         |          |          |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------------------------------------|----------|----------|
| N. Number of CTE concentrators who graduated from high school during the reporting year and passed the technical skills assessment for their program. | 327 | Local Performance:                      | 86.3%    | 86.3%    |
| D. Number of CTE concentrators who graduated from high school during the reporting year who took the technical skills assessment for their program.   | 379 | State Performance:                      | 78.61%   | 70.749%  |
|                                                                                                                                                       |     | <b>Meet State Level of Performance?</b> | <b>Y</b> | <b>Y</b> |

N = Numerator D = Denominator

N/A = Not Available; no data is available to calculate the measure.

NA = Not applicable; measure is not applicable to selected program.

(NT-M) or (NT-F) near program name indicates nontraditional gender for that program.

Note: if program has no nontraditional designation, this abbreviation does not appear.
