

Child Find Notice and Screening Schedule

Altar Valley School District is committed to identifying, locating, and evaluating all children from birth through age 21 who may have a disability and require special education and/or related services.

For Children Ages 2 Years, 9 Months – 5 Years (Preschool Age)

If you are concerned about a child's development and the child is between 2 years, 9 months, and 5 years old (not yet in kindergarten), please contact the front office of your local school to receive more information and to schedule a developmental screening.

For Children Birth – 3 Years Old

If your concern is for a child younger than 3 years old, please get in touch with the Arizona Early Intervention Program (AzEIP) for early intervention support. [AzEIP Website](#) or call 888.592.0140

How to Schedule Screening

When contacting your local school to schedule a screening, please be prepared to provide the following information:

- Child's full name and date of birth
- Parent/guardian's phone number
- Mailing address or email address (for receiving paperwork)

Screening Process

- The school office will schedule the child for the next screening date.
- Screening paperwork and a meeting notice will be sent to the parent or guardian before the appointment.
- Parents/guardians should bring the completed paperwork on the screening day.
- If paperwork is not completed, staff will be available to assist before beginning the screening.

If you have any questions or need assistance with the process, please don't hesitate to contact your local school office. Early identification is key to helping children receive the support they need to succeed.
