

TULARE JOINT UNION HIGH SCHOOL DISTRICT

Transportation Plan 2026-27

Transportation Services:

1. Enter description of transportation services offered to pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 - 6 inclusive and pupils who are low income. Plan may provide for the LEA to partner with municipally owned transit system to provide services to middle and high school students. An LEA may provide no-cost transit passes to students.

Tulare Joint Union High School District (TJUHSD) offers 18 route buses that service the communities of Tulare, Tipton, Pixley, and Teviston. There are bus stops located throughout the area to provide transportation. These routes also service the pupils that live outside city limits with home-to-school transportation.

2. Enter description of LEA's transportation services that would be accessible to pupils with disabilities, and homeless children and youth.

TJUHSD will work with the local transit authority and others to supply transportation for pupils with disabilities, as well as those children and youth experiencing homelessness.

3. Enter description of how unduplicated pupils would be able to access available home-to-school transportation at no-cost to the pupils.

TJUHSD will work with the local transit authority and others to provide no-cost home-to-school transportation for unduplicated pupils.

Consultations:

Enter description of the required plan consultation with classified staff, teachers, school administrators, regional local transit authorities, local air pollution control districts and air quality management districts, parents, pupils and other stakeholders.

Meeting is scheduled for March 24, 2026. The following groups are invited to attend: classified staff, teachers, school administrators, parents, students, school board members, and representatives from the San Joaquin Valley Air Pollution Control District, and the Tulare County Area Transit. The District's transportation plan will be presented at this meeting and our educational partners will be allowed time to comments, questions, and suggestions.
