- Back to School/Orientation Schedule is listed below:

  - Back to School Orientation for Third and Fourth Grades...Tuesday, August 19th, 4:00 pm in the classroom.
- First day of School for grades K to 4 is Wednesday, August 20th. School will start at 8:50 am for all students. Kindergarten will be released at 11:20 am the first week of school. (Parents will be responsible to pick their kindergarten student up from school that week.) School hours are 8:50-3:20 Monday through Thursday and 8:50-2:20 on Fridays. Students are not permitted to come to school earlier than 8:30 am.
- **New Pick Up/Drop Off Procedure:** We have a new pick-up and drop-off pattern for students this year. The old drop-off zone is no longer accessible. Parents will enter the drop-off lane from Gristmill Road. There will be **NO** entrance through the main gate. The new drop-off lane is located directly in front of the main entrance of the school. Please note: there is only one-way traffic to exit the main gate to access Foothill Drive. There is no parking in the drop-off/loading zone. If you need to park to bring your student into the school, parking is available in the new top lot directly south of the main parking lot. Also, if you do not see your student, **please do not wait in the pick up/ drop off zone. This will hold up and slow down the process.** Please move through the line and circle back around to the Gristmill entrance. Additionally, we have visitor and handicap parking available in the main parking lot. A map will be provided; if you have any questions, please call the school. [See attached map](#)
- **Annual School Forms**-PLEASE log in and complete/update the Annual School Forms by 15. (This is necessary because these forms allow computer use, busing information, field trip permission, etc...) This form needs to be completed for all students in the school district. Even if your student has

attended the district their entire school career, the annual school form still needs to be completed. Please use the following link: <https://ps.ssummit.org>  
It gives instructions and information on how to complete the forms.
