Text: Spring Pictures/Kindergarten Registration & More...Please See Email for more information

Email: Spring Pictures/Kindergarten Registration

Important Dates to Remember

February 12 – PreK Registration is now open

February 23 – Incoming Kindergarten Parent Meeting 5 p.m.

February 26 – Spring Picture Day

March 2 – Kindergarten Registration Opens

- Incoming Kindergarten Parent Information Meeting – February 23, 2026 at 5 pm in the SSES Media Center. This is for parents of incoming kindergarten students. The kindergarten teachers will be there to provide insight and answer questions. Looking forward to seeing you then. (While we really enjoy children of all ages this is a parent only meeting)
- Kindergarten Registration opens March 2, 2026. Attached is the kindergarten letter with important dates and information.
- Spring pictures will be on Thursday, February 26, 2026. If you would like to have your student's picture taken you may order pictures online at bellphoto.com prepay code: SoSummitESSpring26. A flyer will be sent home Wednesday, February 25, 2026 with your student.
- **PreK Registration is now open.** PreK registration is on a first come basis. Please see the information letter attached with more information on our PreK classes and how to register your student. If you have any questions please feel free to call the front office at 435-783-4318.
- The weather is getting colder and students are outside before school and during recess and lunch. Students will have outside recess unless the temperature is below 10 degrees. Please dress your students appropriately and send coats, gloves, hats, etc. to make your student comfortable and warm during outside play. It may also be a good idea to send an extra pair of clothes for your student to keep in their locker in case they get wet during recess.
- Your student will be bringing home book marks from the Utah Mammoth Hockey team. You scan the QR code on their bookmark and vote for South Summit Elementary School. If SSES wins based on school population percentage, the Utah Mammoth will host a Field Day at our school in May.
- Thank you to those who provided dinner for teachers and for support of the book fair.
