- Parents are a very important part of the educational process. Each of you have supported and contributed to the success and growth of our school family. In thinking about next year, it is important to me and to every student who attends school to know what you think. So, if you have a moment will you please answer the following survey:
<https://forms.gle/yGRLqcrPpunBHi3j7>
- **Lunch Payments-** As we are coming to the end of the year, remember you can make payments on your student's lunch account by bringing cash or check to the office. Or if you would like to pay with a card and see your balance you can do it online here: <https://lingconnect.com/> . Thank you!
- Just a reminder any school activity "field trips, working one on one with students or small groups, class parties, volunteering in a specific classroom" requires a background check and fingerprinting from our District. There will be no One time exceptions. Please call or email Lucinda Josie at our District. You can call her at 435-783-4301 or email at ljosie@ssummit.org to schedule an appointment. Attached is a copy of the end of the year events.
- Please take a moment and find any library books (Due by May 23rd) and school materials that need to be returned to the school. Please catch up on all fees, lunch account balances and have your student check the lost and found and take home any extra coats from their lockers.
- As required by a state mandate ([Utah Statute 53G-9-207](#)), here is an opportunity for you to learn about how to keep your child safe.
