

## **United Way Career Counselor**

The United Way provides a career counselor to support middle and high school students. The Career Counselor works alongside school counselors to guide students through career based activities, Venango READY initiatives, college applications, and scholarship opportunities. Their work expands students' understanding of postsecondary options and empowers them to confidently plan for their futures.

### **What the Career Counselor Provides at the High School Level**

- Assists students with filling out scholarship applications, college applications, and FAFSA
- Assist students with finding and applying for jobs
- Assist students with setting up job shadows
- Leads students through the Venango READY program and supports students through completing the program
- Assists guidance counselors to ensure all students have completed required career artifacts by grade level

### **What the Career Counselor Provides at the Middle School Level**

- Assists guidance counselors to ensure all students have complete required career artifacts by grade level
- Coordinates career exposure experiences for students
