Titusville Area School
District

SEPTEMBER 2025
Mr. Shawn Fink, Principal

Message from the Principal:

I hope that everyone is having a great start to the school year! It has been a good first week. The students have adjusted quite nicely so far. I wanted to thank all of the families who have updated the Back to School information for their child or children. If you haven't done so already, please fill out the back to school update information. It is very important that we have the most current information with regards to proper contact, medical, and emergency information in order to be able to reach you. I am hoping that you will be able to get on and update this information in the next day or so. If you have any issues with this process or concerns, you can contact me at the school.

In September, we will be having several different events throughout the month. This Friday is our school picture day. Your child should have brought home the picture form already. If you need further information please let us know. Beginning on Monday, the 8th, we will be starting our district reading assessments. Your child will be taking the DIBELS (Dynamic Indicators of Basic Early Literacy Skills) assessment which measures literacy and early reading skills. This assessment is given 3 times a year to check your child's reading progress as well as other monthly checks throughout the year.

We will be celebrating Homecoming which is on Friday, September 26th. The week leading up to the game, we will have themed days for the students and staff to participate in. As we get closer to that week, we will be sending home more information with regards to what each day will be. We also will be walking in the Homecoming Parade. Students are able to walk in the parade as long as they have a parent/guardian with them. We typically meet outside of the ECLC and walk as a school back to Carter Field. This is a lot fun for the kids and it is a nice way to show support for our Titusville Rockets.

I look forward to working with you to make this an exciting and successful school year. Thank you in advance for your support and commitment. If you have any questions, please do not hesitate to contact me at (814) 827-2715 Ext. 6400 or sfink@gorockets.org.

Sincerely,

Shawn Fink

Principal

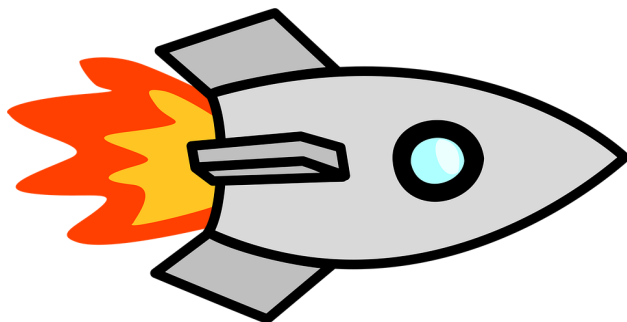

WELCOME
Back to
School!!!

Bring your smiles,
PICTURE DAY
SEPT 5, 2025

Pay Online with the code or
send the envelope to school
with your child.
