## Safety Update

Dear Holy Trinity School Families,

The safety and well-being of our students, staff, and families remain our highest priority. In light of the recent events in Minneapolis, we want to reassure you that we are taking every necessary precaution to ensure that our students are safe while still being able to gather together as a faith community.

We will proceed with our school Mass tomorrow at 8:00 a.m. To support safety, students will be routed into the church in a way that avoids parking lot entry. Please note that all church doors will be closed promptly at 8:05 a.m. For security reasons, no parishioners or students will be admitted after that time. Anyone arriving late will need to check in at the school office and remain there until Mass has concluded before returning to class. To further enhance safety, we will have an armed civilian officer present during Mass, and El Cajon PD will be making rounds throughout the day. This protocol will remain in place every mass day until further notice.

Additionally, all gates—including the back parking lot—will close at 8:05 a.m. Any vehicles not moved from the back lot before that time will remain locked in until the gates reopen at 2:45pm.

For afternoon dismissal, gates will open at 2:45 p.m. and close promptly at 3:00 p.m. Please plan accordingly to ensure a smooth and secure pickup process.

We thank you for your partnership, cooperation, and understanding as we continue to place safety first while nurturing our students in faith and learning.
