Service Hours and Mass Protocol

Exciting news for middle school! Service Hours for the middle school will no longer be done on paper. **Gradelink** will be used to record student service hours. Students need to log-in to Gradelink and navigate to the bottom right of their screen and push "Service Hours." They can then record their service hours and give a description of the service they performed. Once approved the student will receive a green check mark next to their entry.

Sports News

Holy Trinity will have two teams this year for Volleyball. They began practicing this afternoon. Since there were not enough boys for a complete football team, we will be playing with St. Kieran's again this year.

For those interested in Track & Field; we will begin practice soon for the meet in October.

We are available to assist you!
