TURNERS FALLS — A picture-perfect October afternoon looked over Thomas Memorial Golf Club, where the Franklin Tech golf team hosted Smith Vocational on Monday. Behind a stellar even-par round of 35 from Jack Day, the Eagles got the best of the Vikings by a score of 157-176 to improve their record to 13-3 overall and 13-2 in the Bi-County League East.

Day was one of two golfers to break 40 on Monday, as his teammate and playing partner Grady Deery turned in a 39 as well. The duo of Day and Deery proved to be too much for Smith Vocational.

Rounding out Franklin Tech's scoring was Braeden Talbot (40) and Mason Vassar (43). The win marked the fifth time the Eagles broke 160 as a team score.

For Smith Vocational, Keller McMahon led the way with a 42 including an impressive drive and approach shot on the par-4 5th hole. Andrew Persaud carded a 44 while Nate Lardahl and RJ Kaczinski each turned in a 45 to cap off the team score of 176 for the Vikings.

Smith Vocational (6-6) rounds out its regular season on Wednesday at Forrest Park Country Club against McCann Tech. Franklin Tech (13-3) takes on Mohawk Trail at Country Club of Greenfield on Tuesday afternoon.

Turners 177, Mohawk Trail 179 — The Warriors were oh so close to their first win of the season, but the Thunder received strong performances from the depths of their lineup to squeak out a win.

Ethan Eichorn (41), Cam Cogswell (42), Liam Kerivan and Andrew Eichorn (47) were the scorers for Turners, while Conner Bergeron (40), Joei LaBelle (45), Sam Mizula (46) and Carl Jernstrom (48) scored for Mohawk Trail.
