BUCKLAND — Mohawk Trail Regional School will host the opening night for the traveling Smithsonian visit “Voices and Votes: Democracy in America” on Thursday, April 17, at 4 p.m.

The exhibit focuses on democracy in rural America, and will be highlighted with weekly programming through mid-May, when the exhibit will travel to its next destination.

To celebrate its opening night, Mohawk Trail Regional School will also host its annual spring concert, when students will perform a selection of songs about voting rights and protest songs.
