- 2 one-subject spiral notebooks (***wide-ruled***)
  - Different colors
- 3 sturdy two-pocket folders (different colors/designs)
- Pencil holder or box (*does not need to be too large*)
  - Supplies that cannot fit here can be set to the side in the room
- Assorted pencils, colored pencils, crayons, pencil-top erasers (*Always good to have a few on hand! But it's OK if you only have a few of these!*)
- 2-3 pens
  - Including a red pen
- 2 or more black sharpie markers
- *Donations of wipes, tissues, etc. are always welcome!*

*Oversized art supplies (120 pack of crayons, for example) are not necessary. If you do want to bring them, to save space in desks, extra supplies may be labeled and set aside in the classroom for use with special projects and artwork! We also have a variety of materials here in the classroom students can use.*

Please let me know if have any questions about these supplies. As they work on their summer assignments, it would be great to hear from students about what they're reading and any fun stuff that's going on! My email is [mpepe@lebanonschool.org](mailto:mpepe@lebanonschool.org). I'll try to check it and respond as often as I can!
