

A+ ARCHER NEWS

APRIL 13, 2026

Hello Archer Families,

Exciting news! We are officially launching a brand-new **PTO for A+ Charter**, and we want **YOU** to help us build something amazing from the ground up!

If you're passionate about creating a vibrant school culture, supporting our students, and raising funds for awesome programs, this is your moment. Whether you have an hour a month or an hour a week, your voice matters.

Join us for our first kickoff meeting:

- **When:** April 23rd @ 6:00 PM
- **Where:** MPR
- **Why:** To dream big, get organized, and start making a real difference for our kids.

Let's work together to make this the best year yet for A+ Charter. We can't wait to see you there!

Testing continues this week for junior high students on Monday and Wednesday. Make up tests will be completed on Thursday or the following week. To help our kids do their best, we appreciate your support with a few simple routines:

- **Plenty of Rest:** Ensure students get an early night's sleep to keep their minds sharp.
- **Healthy Breakfast:** Fuel their brains with a nutritious breakfast.
- **On-Time Arrival:** Please ensure your child arrives at school on time daily so they feel calm and prepared.

Thank you for your partnership in making this a successful testing season. You are appreciated!

Warm regards,

Rachelle Reese
Principal
