

A+ ARCHER NEWS

APRIL 20, 2026

Hello Archer Families,

We want to thank all of our parents and guardians for your incredible support during our testing window. Your commitment to getting students to school on time and prepared each day has made a world of difference! We are also incredibly proud of our students. We've watched them put in a tremendous amount of effort, focus, and determination into every section of the test. Seeing their hard work firsthand has been truly inspiring. Thank you for being such vital partners in your child's academic journey!

Get Ready for Prom Spirit Week!

It's the week we've all been waiting for! As we count down to the **Junior/Senior Prom**, it's time to ramp up the energy and show off that incredible school pride. Whether you're a junior, senior, or just excited for the festivities, we want to see everyone participating. This is your chance to get creative, have fun with your outfits, and make some unforgettable memories before the big night. Check out the flyer below for the daily dress-up themes! Let's see those legendary outfits in the hallways and make this the most spirited week of the year!

A Huge Shout to our Archer Families!

Our track program just got a major upgrade, and it's all thanks to some incredible community support! We want to send a huge thank you to the Crenshaw and Devine families. They generously volunteered their time and hard work to help construct our brand-new long jump pit. This project is a game-changer for our athletes and will help our track team continue to leap toward success! We also want to extend our sincere gratitude to Gila River Sand and Gravel for their massive donation of 11 tons of sand. We couldn't have completed this project without their incredible generosity.

Lastly, we are excited to share that the deadline to purchase this year's school yearbook has been extended to April 30—this is your final opportunity to secure a copy! Yearbooks are available for \$55.00, plus a \$2.00 online service fee, and can be ordered through OrderYearbook.com.

Warm regards,

Rachelle Reese
Principal
