## Weekly News August 14th

Dear Archers and Parents,

We hope this Newsletter finds you well.

### \*\*Parent portal update

The parent portal is now ready to view your students progress. For instructions please refer to the email that was sent out on Friday, August 11th. If you have any questions or did not receive the email you can contact the office.

**All meals need to be purchased on Thursday by midnight the week prior.** If you do not preorder, your child will not be guaranteed a meal to purchase the day of lunch. All non preorder meals will be \$7.00 starting August 7th. If your child pre-orders lunch, please ensure that they are picking it up as we do not want to have to start charging for orders that are not received.

### ID's and Tardies

It is very important that your child is on time and that they are wearing their ID to school everyday. Students should limit missed class time, this is to include afternoon electives, as they are also credits that your child needs to graduate. Student ID's are part of the dress code and are required daily. If the student does not have their ID, they will be asked to call their parents to bring it to them, as this is a safety issue. Thank you for your support in this matter.

Kind regards,  
Rachele Reese  
Principal
