

A+ Archer News

Weekly News August 21st

Dear Archers and Parents,

We hope this Newsletter finds you well. We are already half way through the first quarter! As of today, there will no longer be any student schedule changes this semester, unless it is assigned by Administration.

Spirit Week

Student Council has put together a fun Spirit Week in conjunction with the start of the fall sports season. See flyer below for details. Come out and support our volleyball and soccer teams at their games this week, GO ARCHERS!

NWEA Testing

High school will be benchmark testing on Wednesday and Thursday this week. It is important that all students are in attendance and on time to ensure testing starts as scheduled. Eating a healthy breakfast is a good way to start the day and encouraged on testing days.

Student ID's

It is very important that your child is on time and that they are wearing their ID to school everyday. Student ID's are part of the dress code and are required daily. If the student does not have their ID, they will be asked to call their parents to bring it to them, as this is a safety issue. Thank you for your support in this matter.

Kind regards,
Rachele Reese
Principal

Spirit Week
