

A+ Archer News

Weekly Newsletter January 15th

Dear Archers and Parents,

I hope this Newsletter finds you well after this long weekend.

Re-enrollment

Re-enrollment has begun for the 2024-2025 school year. Please check your email for instructions on how to re-enroll your child(ren) for next year. It is very important that you re-enroll your child(ren) as soon as possible to secure their spot. Re-enrollment ends on January 31st. Open enrollment will start February 1st, this is when the rest of the community will be able to enroll. It is a first come first serve at that time and once the spots are full a waiting list will begin. We would love all of our archer students to return.

Attendance

Attendance this semester will be set by the student handbook. Any student that misses 7 days or more second semester could potentially lose credit for classes. It is very important that your child is on time to school and is not checked out early unless it is an emergency to keep your child's learning on track.

Archers Closet

A+ students will be holding a rummage sale in the parking lot of the school on January 27th from 9am-12pm. This sale will help the classes raise money for their senior trip. Any donations would be appreciated and taken on the day of the sale. Donations can be dropped off at 7:30am on January 27th.
