

A+ ARCHER NEWS

JANUARY 20, 2025

Hello Archer Families,

 **RE-ENROLLMENT:** As we prepare for the *upcoming* school year, we want to share an important update regarding our **re-enrollment process**. We are currently experiencing some technical issues that have delayed the launch of our re-enrollment portal. We understand that you are eager to secure your child's spot, and we truly appreciate your **patience and understanding** as our team works diligently to resolve these hurdles. Please rest assured that **your family remains our top priority**. You will continue to have **guaranteed priority status** to complete your registration well before enrollment is opened to the general public. We are dedicated to ensuring our returning families are taken care of first. We will send a follow-up announcement with **step-by-step instructions** as soon as the system is fully operational. Thank you for being such a vital part of our school community and for your continued trust in us.
