JANUARY 6, 2025

Welcome Back, A+ Charter Family! 🌟

Happy New Year! We hope your holiday break was filled with rest, relaxation, and precious quality time with your loved ones. As we step back onto campus this week there is a renewed energy in the air, and we are thrilled to begin this second semester with you.

🚀 To Our Students: It's Your Time to Shine!

This semester is a fresh chapter and a clean slate. We want you to dream big and set high expectations for yourself. Whether it's mastering a tough subject, joining a new club, or improving your GPA, you have the power to make it happen. Let's put in the work, stay focused, and finish this school year stronger than we started!

👉 To Our Parents: Our Partners in Success

Thank you for your continued support and for being our partners in your child's education. Your encouragement is the fuel that helps our students reach their goals. Let's work together to make the rest of 2026 a year of incredible growth and achievement.

## Re-enrollment News:

Re-enrollment for the upcoming school year will begin very soon. Please be on the lookout for an email with all the necessary details and the registration link. It is **imperative** this year that you complete the re-enrollment process for your child **immediately** to secure their spot.

We are experiencing an unprecedented high level of interest and open enrollment inquiries from new families. We want to ensure that our current, valued students have priority in returning.

We are incredibly grateful for your continued membership in our school community. To guarantee your child's place and avoid the waitlist, please act quickly as soon as we open the re-enrollment window.

Thank you for your prompt attention to this urgent matter. We look forward to having your family back next year!

Warm regards,

*Rachelle Reese*
