

A+ ARCHER NEWS

NOVEMBER 17, 2025

Hello Archer Families!

Ensuring your child attends school daily is crucial for their academic success and ability to keep up with coursework. As we approach the end of the first semester, consistent attendance becomes even more vital. Please note that **first-semester final exams will be held the week of December 15th**. Daily presence in class ensures students are prepared for these important assessments and do not miss critical review sessions or instructions.

Semester grades will be finalized December 18th. We strongly encourage you to monitor your child's academic progress regularly to stay informed and provide necessary support.

You can check your child's current grades, attendance records, and assignment details via the online parent portal.
