

A+ ARCHER NEWS

OCTOBER 21, 2025

Hello Archer Families!

The student council is hosting a canned food and non-perishable food drive to help those in need, with the collection running from October 20th to November 20th. All students, families, and staff are encouraged to participate by dropping off their donations at the front office. This is a great opportunity for our school community to come together and make a tangible difference by sharing and caring for others. Non-perishable items like canned vegetables, fruits, and proteins, as well as boxed meals, pasta, and peanut butter are all greatly appreciated and will go a long way in helping our neighbors.

We're thrilled to share some amazing news! As you may know, Mr. Williford and the A+ Charter Drumline have been invited to perform at the NASCAR Xfinity Series Race on Saturday, November 1, 2025!

This is an incredible opportunity for our students to showcase their talent, dedication, and school pride on such a large stage. The energy and excitement of NASCAR combined with the powerful rhythm of our A+ Drumline is sure to make for an unforgettable experience!

Please see the flyer below for more information and details on how to purchase tickets to join us at this amazing event.

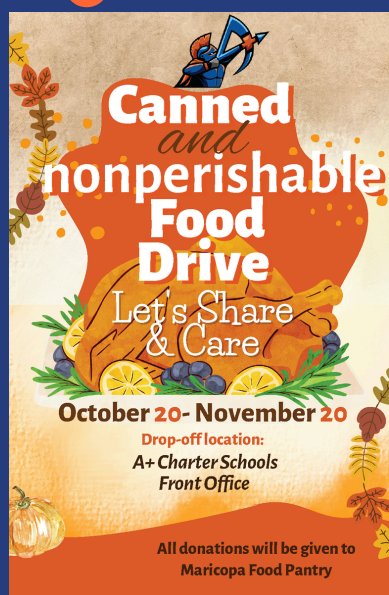

Moments like these highlight the importance of school spirit and the strength of our A+ community. We are so proud of Mr. Williford and our A+ Archers for representing our school with excellence, passion, and pride!

Let's cheer them on as they make some noise—A+ style! Go Archers!

Warm regards,

Rachelle Reese

Principal
