

A+ Archer News

Weekly Newsletter September 11th

Dear Archers and Parents,

We hope this Newsletter finds you well. **Student Led Conferences will be held on Tuesday September 19th, from 4-6pm.** At the conference your child will be able to take their guardians to their classrooms and show them how they have been progressing and working on in class. Please join your child to get the inside of their school day.

Parent Portal

If you have not set up the parent portal to view your child's account, another email was sent out today with instructions on how to do so. It is important that you do this right away to avoid any issues in the future with getting it set up and logging on.

Student Council is having a **car wash on September 16th at ACE Hardware from 9am-1pm**, to raise funds for school events. Come out and support our hard working kids! (see flyer below)

Senior Parents

It is that time to start getting your senior ready for graduation! A separate email was sent last week on how to order cap and gown and other senior mementos such as their class ring and letterman's jacket. We are also having a meeting for dual enrollment on September 26th, to make sure our students get selected classes in on time for the next semester. (see flyer below)

Kind regards,
Rachele Reese
Principal
