Student Laptop Agreement
2025-2026 Summer School Use

Terms of Use

STAR is pleased to be able to offer scholars a laptop computer for use during the summer school term. Parents who elect for their scholar to utilize a laptop or tablet for the summer school term, will need to agree to certain terms of use as outlined in this document:

1. The device issued is the property of STAR Academy Charter School and issued to students for the sole purpose of completing school assignments. It is intended only for the use of the school employee to whom it is assigned.
2. The device, once issued, can be taken home. However, the parent of the scholar is responsible, at all times, for the care and appropriate use of the laptop computer.
3. If the device is damaged, outside of normal wear and tear, the parent agrees to replace the unit at the cost provided after the initial damage analysis. If the laptop is lost, the teacher agrees to replace the unit at the cost provided.
4. Each user who is assigned a device must have a signed copy of the STAR Academy Device Agreement on file.
5. Each device is equipped with security software that will prevent the loss of data if the computer is lost or stolen. It is essential that the parent assigned a device notifies an administrator immediately if the device is lost or stolen.
6. The device is issued to you for the duration of the summer school
7. The device will need to be returned to an administrator upon completion of the summer school term. Please email awilliams1@staracademycharter.org to arrange to drop off
8. The school policy regarding appropriate use, data protection, computer misuse, health and safety must be adhered to by all users of the computer.
