Parking Rules and Regulations:

Students will only be allowed to park on campus by purchasing a parking permit

- Students park at their own risk while on campus. SRRHS does not assume liability for theft or damages to vehicles while parked on campus.
- Students will not have assigned parking.
- Parking in staff or visitor parking will result in loss of parking privileges.
- Parking tags are non-transferable (cannot be sold or given to another student) and must be used solely by the applicant.
- The parking fee is paid in the Assistant Principal's office before school. Parking is \$65.00 for the entire school year.

- Parking tags can only be used in student/family-owned or leased vehicles. All vehicles driven by the applicant must be registered online before parking on campus; limit 3 vehicles.
- Refunds will not be given for withdrawals or loss of parking privileges.
- Stolen parking tags must be reported to the Assistant Principal's Office.

Automobile Searches

The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reason to believe that illegal or unauthorized materials may be contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Seizure of Illegal Materials

If a properly conducted vehicle search yields illegal or contraband materials, such findings shall be turned over to the proper legal authorities for ultimate disposition.

Loss of parking privileges may include, but are not limited to the following: Reckless driving, transporting alcohol, illegal substances, dangerous weapons, failure to drive courteously, failure to provide adequate seating for passengers, failure to respond to school authorities, or leaving campus without office approval.
