

PARENTAL/COMMUNITY REVIEW OPPORTUNITY FOR NEW BCSD ENGLISH LANGUAGE ARTS CURRICULUM

The Bullhead City School District is looking to adopt the 95 Literacy Intervention System for grades K-6 and the 95 Phonics Lesson Library, Morpheme Magic, Multisyllable Routine Cards™ Package, Comprehension, and Vocabulary Surge for grades 5 & 6. Portions of the Intervention System are already being used at the elementary schools in Tier 2 instruction including readables (printed materials easy to understand, interpret or read) and phonics chip kits (kits to help build foundations for future readers). The materials for grades 5 & 6 were reviewed and received a positive recommendation from Bullhead City Middle School.

Parents and members of the community may review physical samples of the 95 Percent Group instructional materials at the district office, or visit our website at <https://www.bcsd15.org/curriculum-instruction> to review digital samples. You can visit the 95 Percent Group website at <https://store.95percentgroup.com/>.

Any feedback may be directed to info@bcsd15.org.

Tier 2: Intervention

Evidence-based, explicit, systematic, and cumulative intervention solutions, designed for students working in small groups and beyond, according to their skill level and instructional needs.
