Dear Parents/Guardians,

Fifth grade's schedule is unique; as our students see different teachers for their content areas and switch classes based on their own schedule. The students are making a smooth transition and are learning to be more responsible and independent as we establish routines. One change necessary with this format is the procedure for parent-teacher conferences. Due to the number of shared students and the teachers' team approach to our students, fifth grade conferences will be using a teacher-invite approach.

The fifth grade team has reviewed your child's grades, beginning-of-the-year assessments, classroom participation and behavior, and general organizational skills and **do not feel a conference is necessary for your child**. If you have specific questions or concerns, please note them below. If you feel a conference is required, please note this, as well. **The fifth grade team is pleased with your child's progress** and encourages you to discuss with them their positive report from their teachers!

As a reminder, school will not be in session for students on Monday, November 10, 2025.

Sincerely,

Mrs. Doolin
