

SRRHS Athletic Transportation Waiver

The athletic department of Sedona Red Rock High School feels strongly that it is very important for members of our athletic teams to ride together to and from athletic contests. Valuable information is passed on to the team by coaches and the interaction of teammates is essential to create a cohesive team support. We do realize that there may be reasons for parents to occasionally transport their student from a game. We ask that these situations be minimized and in such circumstances that you contact the coach ahead of time. In such a circumstance please sign the following waiver.

I / We accept full responsibility for the transportation of the student/athlete from the location established below.

Athletic team _____ Site of contest _____ Date of contest _____

Student Athlete
