Selection Process

All applicants will be accepted if there is sufficient capacity. If there is insufficient capacity, applicants will be selected from the submitted applications for enrollment in a school in accordance with a random selection process except where policy may indicate otherwise. After June 15, pupils shall be selected for enrollment from the waiting list in the order in which the pupils were placed on the waiting list through the random selection process, or as otherwise provided by policy.

Procedure

There should be an equitable process in place, such as a randomized lottery, for applicant selection.
