

July 2023

Greetings Country Place Leadership Academy Students, Families and Community Members,

We hope that you are having a great summer! The Country Place staff is excited to welcome you to the upcoming 2023-2024 school year! We look forward to partnering with you to create an inspiring learning experience for every student. We have new start and end times this year! **7:30-2:30** Monday, Tuesday, Thursday and Friday. **7:30-12:10** on Wednesday.

Our mission is iLead. iLead stands for, "Inspiring Leaders to Exceed, Achieve and Dream." This year we will continue our leadership journey with the Leader in Me Process. We will continue to deepen our understanding of leadership principles and the 7 Habits of Highly Effective People. Students will take on leadership roles and teach leadership to others in our school and community. We will continue our goal setting process to support student growth. Our focus this year will be on empowering students to lead their own learning through the 4 Disciplines of Execution. The 4 Disciplines are a process that helps you accomplish your goals. The 4 Disciplines are, focusing on the wildly important, acting on lead measures, keeping a compelling scoreboard and creating a cadence of accountability. We will empower our students to be leaders in their classrooms, on the playground, in the community and beyond!

Student safety continues to be our first priority. We continue to work on making student drop-off and pickup as safe and efficient as possible. As many of you know, our location in the neighborhood, size of our driveway and number of cars at drop off and pickup makes student drop off a challenge. To ensure student safety and create an efficient process we ask for your support of our drop-off and pickup procedures. Our gates will remain closed until 7:15. Please make a line along Country Place Blvd from the right. At 7:15 we will open the gates and cars can enter the lot and students enter the gates. Only students and staff are allowed to enter the campus during drop-off and pickup. We are asking that only Kindergarten parents and those parents needing to access the office use the parking lot, all other cars please use the drop-off lane. Kindergarten parents can park in the parking lot and escort their students to the kinder gate or drop them off in the drop-off line. When using the drop-off line, please move all the way forward and then **"Drop Where You Stop."** We are also asking that all cars enter and exit the parking lot from and to the right which creates a steady flow for traffic.

Please join us for **Meet the Teacher Night on Monday, July 24<sup>th</sup> from 5-7 p.m.** Students and families will have the opportunity to see who their teacher is on the ParentVUE app and meet their teachers. Please use ParentVue to complete important beginning of the year information. If your student is a bus rider, you will need to **Register to Ride** on ParentVUE before your student rides the bus. Our **first day of school is Wednesday, July 26<sup>th</sup>**. School begins daily at 7:30 with breakfast in the classroom. Students may arrive on campus at 7:15. School **release time is 12:10 on Wednesdays** and 2:30 Monday, Tuesday, Thursday and Friday. Our school office hours are from 7:00-3:00 (12:40 on Wednesdays). As the new school year approaches, we are excited to partner with you this year. If you have any questions, please feel free to call us at (623) 478-6100.

Sincerely, *Dr. Michael Cagle*
