

# LITTLETON COMMUNITY FESTIVAL

Such an incredible atmosphere at the 1st Annual Littleton ESD Community Festival! Thank you to everyone.

**COLLIER BUSINESS ACADEMY****FOSSIL COOKIE DIG ACTIVITY**

Ms. Valle's 4th grade class became paleontologists as they carefully "excavated" chocolate chips from cookie layers, representing fossils in rock. This hands-on activity helped students understand how fossils are found, the importance of careful tools and techniques, and how scientists use patience and observation to study the past.

**COUNTRY PLACE LEADERSHIP ACADEMY****LEADERSHIP MURAL**

Leadership murals designed by students are a hallmark of CPLA's hallways. The Physical Environment team met with Dr. Laffitte to present the current murals, discuss maintenance strategies, and share future aspirations.

## ESTRELLA VISTA STEM ACADEMY

# 25-26 TEACHER OF THE YEAR

Ms. Lynda Espino is the 25-26 Teacher of the Year! Her dedication to her class, team and the campus is extraordinary and they are proud to have her represent Estrella Vista! Congratulations and thank you for all you do!

## FREEMAN FINE ARTS ACADEMY

# STAFF OF THE MONTH

Congratulations to Mr. Gardner and Ms. Vicky! Their dedication, passion, and love for the students help make Freeman shine every day.

## LAKIN PREP ACADEMY

# MRS. LATU'S CLASS

Take a look at how the musicians are hard at work in music class with Mrs. Latu! This year, the students have learned so much, including traditional songs and dances from around the world, playing xylophones, and piano keyboard basics. A big thank you to Mrs. Lieberman at Freeman Fine Arts Academy for letting them borrow her keyboards!

## LITTLETON STEM ACADEMY

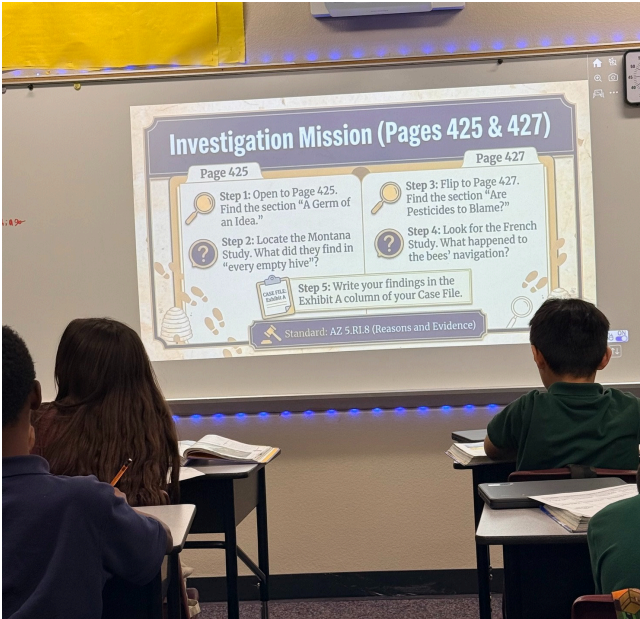

# EPIC ASSEMBLY

What an EPIC assembly! The energy and school spirit were off the charts. So proud of the amazing students and everything they celebrated together.

**QUENTIN STEM ACADEMY**

# HIGH STAKES INVESTIGATION

Ms. Cross turned the challenge of finding textual evidence into a high-stakes investigation. Instead of a standard worksheet, students were tasked with completing a "Case File" for their latest reading. They didn't just find quotes, they gathered "clues." They didn't just write paragraphs—they built "evidence-based reasoning" to prove their answers.

**TRES RIOS SERVICE ACADEMY**

# THE PUMA GARDEN

The garden is being renewed by adding strawberry plants and school spirit stepping stones.
