LEADERS IN LEARNING, CARING AND GROWING

FRIDAY
AUG. 16, 2024

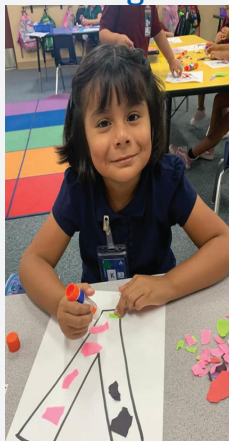

SAFETY FIRST

Coyotes practiced their first fire drill of the year to ensure they know the appropriate processes so they are prepared for anything in the future!

MINI MUSTANGS

Our mini Mustangs in Kinder are off to a great start. They have been learning all about the letters in their first names as well as how to play and get along with each other. We are excited they are a part of our CPLA family and look forward to watching them grow into amazing leaders.

FRIDAYS

Every day is a great day at Estrella Vista STEM Academy, but First Fridays are especially enjoyable. We held our first, First Friday assembly and are excited about our next one!

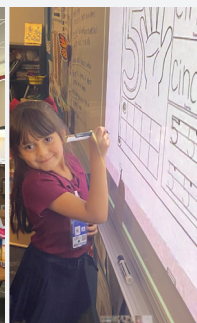

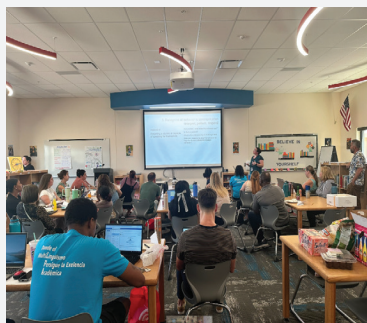

PICASSOS IN THE MAKING

The art supplies are out and the mini-Picassos are hard at work. Our Falcons are gearing up for a year of colorful masterpieces to add to their very own Artsonia portfolios!

LAKIN LIONS

This week in kindergarten, the children learned the rules of the playground, ensuring everyone could play safely and happily. Meanwhile, the staff focused on creating an inclusive environment in the classroom.

LEADERS IN LEARNING, CARING AND GROWING

PERFECT ATTENDANCE

Our 2nd grade Firebirds have had 4 days of perfect attendance already! What a great start to the year!

LEARNING NEW TOOLS

Students worked together using the Canva app to collaborate ideas for classroom norms. They agreed on the most important top 3 norms for our classroom and signed them. They are posted in our Google home-room, and we reference them before lessons and small groups during class.

OUR CLASSROOM NORMS

- NORM 1**
We will be respectful to others and their ideas.
- NORM 2**
We will ask for help when we are confused, and we will support each others learning.
- NORM 3**
We will follow all classroom procedures so we can have a positive environment.

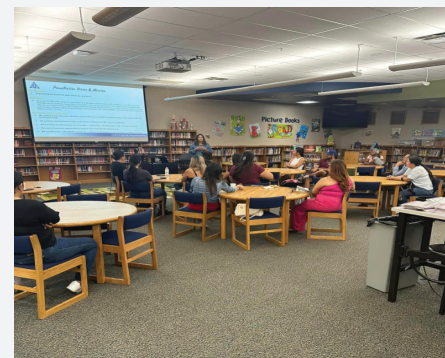

LITTLE DOCTOR SCHOOL!

Sharks had their first day of Little Doctor School. The students were thrilled to receive their very own lab coats and stethoscopes. They are ready to embark on their medical adventures.

CAFECITO WITH PRINCIPAL RENDON

Friday was the first Cafecito with Principal Rendon. Such an amazing time and looking forward to having more cafecitos.

IT DEPARTMENT

Our technology department has been providing incredible support for students and staff to start the year. From ensuring all new staff were ready to start to making sure technology is ready for students, we are so grateful for their efforts.
