

Certified Occupational Therapy Assistant for Elementary School

COTA needed to work under the direction of occupational therapists to provide rehabilitative services to persons with mental, physical, emotional, or developmental impairments in elementary school setting. Help students with rehabilitative activities and exercises outlined in a treatment plan developed in collaboration with an occupational therapist. The COTA will monitor an individual's activities to make sure that they are performed correctly and to provide encouragement. They also record their student's progress for the occupational therapist and keep track of billing information.
