

Dream Achieved: Our District Celebrates "Grow Your Own" Graduates!

NAU ceremony at the Littleton District office recognizes the dedication of aspiring educators.

Graduates of Northern Arizona University's Grow Your Own Teacher Program celebrated the achievement of earning bachelors and masters degrees in education at the Littleton District office. This great program provides those that want to enter the teaching profession free tuition and a flexible schedule to achieve that dream! We are proud to say that two of the graduates are from our District!

Collier

The Collier girls are headed to the championship! They pulled off a 2-1 victory against Fine Arts. Go Lady Coyotes!

Collier E-Sports crushed the first round of playoffs–106–50 in Game 1 and 55–28 in Game 2! Let's keep the momentum going Coyotes!

Huge congratulations are in order for our Spelling Bee Champion Mario and runner-up Aalia on their outstanding achievements!

Country Place

Estrella Vista

Estrella Vista's 8th graders had a special visit from La Joya High School! They shared all the amazing programs and opportunities available for incoming freshmen to sign up for next year. From academics to extracurriculars, there's something for everyone to get excited about.

We love seeing our students inspired and ready to take the next step toward high school success!

The talented 5th–8th grade band took the stage for their Winter Concert at Freeman Fine Arts Academy!

Under the direction of our band teacher, Mr. Gardner, the students performed beautifully and showcased all of their hard work this season.

A heartfelt thank you to all the families and staff who joined us and supported our young musicians. Your presence made the evening even more special! Happy Holidays!

Freeman Fine Arts

Third Grade students enjoyed an amazing field trip to Tolmachoff Farms! They had the opportunity to pick their own vegetables straight from the farm and take them home to share with their families.

This was a wonderful hands-on learning experience!

Lakin Prep

During the wonderful IB Day of Service on November 14th! Our school community raised \$875 and collected a fantastic amount of household supplies for the Ronald McDonald House. We are so proud of our middle schoolers who personally delivered all the donations. Great job, Leones!

Littleton STEM

Safety is our top priority, and practicing these important procedures helps ensure everyone knows what to do in case of an emergency. Our students and staff did a fantastic job, showing how seriously we take fire safety. Great work, everyone! Let's continue to be prepared and safe.

Quentin

Fraction City is officially open!

5th graders grabbed chalk and turned the playground into a giant fraction metropolis, hands-on math magic.

Tres Rios

2nd grade Pumas are learning about main idea in Reading Informational texts about extreme weather patterns like tornadoes and hurricanes. In the Dual Language Program (DLI) the students were learning double digit addition in Spanish.
