

# Turkey Trots, Thanksgiving Luncheons, oh my!

## What an amazing time to be at LESD # 65!

We had an amazing run of events! Catch up on the highlights, from our annual runs to our shared meals, and see all the incredible ways our students and staff celebrated together before the Thanksgiving Break.

## Collier

Students in Ms. Pierce's 6th, grade class at Collier Business Academy are learning how to create professional business head shots using AI tools. By using technology to our advantage and leveraging tools that help us grow, this empowering experience allows students to begin building real world, future ready skills they can use in many different ways. At Collier, we empower all for future success, and this is just one piece of a bigger project.

## Country Place

CPLA is thankful for the families who participated in this year's annual Thanksgiving luncheon. We were delighted to see everyone there.

## Estrella Vista

The Kindergarten students had the BEST time watching A Charlie Brown Thanksgiving. They enjoyed a fun and festive snack spread with jelly beans, bread, popcorn, pretzels, and juice, just like in the classic movie!

A HUGE thank you to all the parents who donated to make this special celebration happen!

The Freeman Fine Arts Academy Falcons took on the Quentin Sharks, and what an exciting match-up it was across both sports! The Falcons fought hard with incredible determination, keeping the game close the whole way through. The final score was 0-1, and even though they were just one goal away from tying it, we're extremely proud of their effort and heart on the field!

A huge shout out to our Falcons basketball team for an outstanding performance! Their teamwork, communication, and hustle truly paid off as they brought home the win!

## Freeman Fine Arts

What an incredible day celebrating music! Over 300 talented singers were selected through competitive auditions to come together and share their love of singing. The festival was filled with beautiful music, great energy, and even some familiar faces! Our students did amazing and truly had an unforgettable experience.

## Lakin Prep

A huge thank you to all the families who joined Lakin for the annual Thanksgiving lunch!

Seeing the Leones share a meal and laughs with their loved ones was the perfect way to kick off the holiday season. We are so thankful for our Lakin Prep community!

## Littleton STEM

A joyful celebration with a turkey trot and Thanksgiving luncheon! Families gathered to run together in the crisp air, followed by a delicious feast of roasted turkey and sides. Laughter and gratitude filled the room, making it a wonderful kickoff to the holiday season!

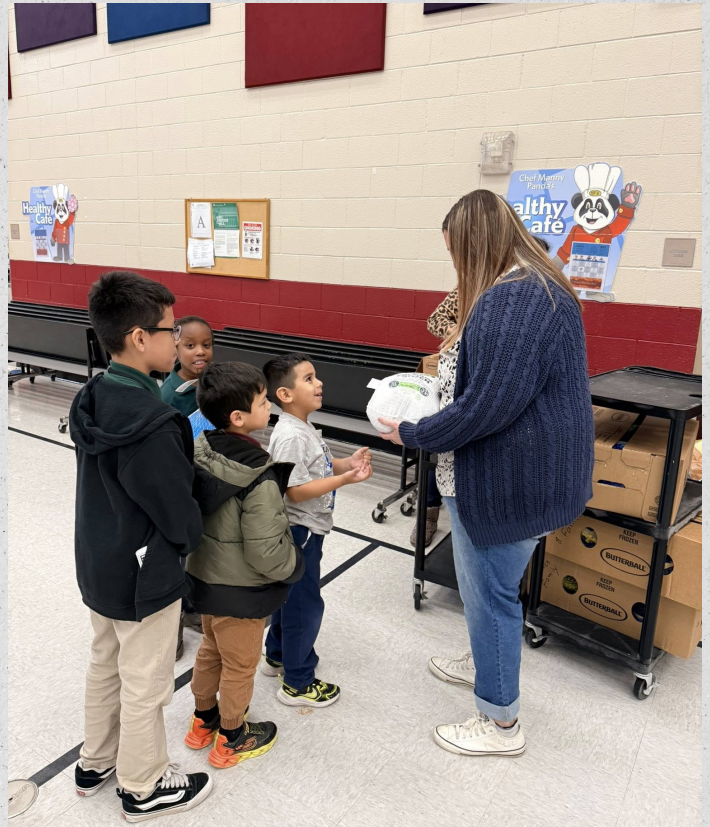

## Quentin

With generous donations from the PTA and staff, we were able to give away some TURKEYS and GIFT CARDS to the WINNERS of our turkey trot drawing!!! Thank you to those who donated, and congratulations to our winners!!!

## Tres Rios

The third graders studied *Balloons Over Broadway* to learn how the famous Macy's parade puppets are designed and brought to life. Inspired by the story, they created their own colorful balloon characters using imagination and teamwork. To celebrate their hard work, the students held a parade through our school, proudly showcasing their handmade creations.
